## OFFER / PACKAGE

### HANDS-ON TEAMBUILDING

To experience new perspectives within your team, throw yourself in an unfamiliar territory! By working together in unknown conditions, you gain an incredible insight and new knowledge. You will experience this in a once in a lifetime grandstand construction activity for different events.

WHY?  
**MOTIVATION**

You experience in depth the foundations of team dynamics and leadership "hands on" which will result in a sustainable impact..

WHAT?  
**GOAL SETTING**

You offer your team an unforgettable experience, which strengthens the cohesion and sets new relationships. You will truly learn about yourself and your team members in these unfamiliar surroundings.

HOW?  
**IMPLEMENTATION**

Book Tony's Teambuilding Package and learn how much potential that is untapped in you and your team.

The package for CHF 2000 includes:

- Briefing (duration: approx. 2 hours) before the construction day
- One day helping to build an arena as part of a larger team
- Debrief Workshop "The Dream Team" (half Day) for a sustainable implementation of the experience

# Success through Passion!

## TONY BRECHBÜHL

"TODAY IS MY FAVORITE DAY  
AND I INSPIRE OTHERS  
TO EXPERIENCE THE SAME"

TONY BRECHBÜHL

Tony Brechbühl graduated as an economist at the University of St. Gallen (HSG). He gained experience in leadership positions globally, including the USA, United Arab Emirates, Liechtenstein and Switzerland. The different demands of SMEs and large companies enabled him to fully comprehend the value of flexibility and equipped him with a variety of skills and know-how.

His core area of focus and passion today includes the development and further development of teams and employees. Since 2013 Tony Brechbühl heads his company and works internationally as a leading trainer and consultant in German and English. Commitment, personal dedication, experience and tact makes Tony Brechbühl a creative and exceptional partner in the field of untapping latent potential of teams and employees.
